

is pleased to invite you to the

# 15<sup>th</sup> Meeting of the **Slovenian Biochemical Society** with International Participation *Celebrating the 40<sup>th</sup> Anniversary of the Society*

**September 20-23, 2023**

**Portorož, Slovenia / Convention Centre Portus**

## Topics

Biochemical education \* **NEW**  
Biotechnology and bionanotechnology  
Cell signaling and membranes  
Functional genomics and systems biology

Molecular basis of disease  
Molecular interactions and networking  
Protein structure and function  
Synthetic biology

*\* For the first time there will be a section on Biochemical education. Participants are invited to submit abstracts both to this section as well as to one of the research topics (for a single registration fee).*

## Info & Registration

web <http://portoroz2023.sbd.si>

e-mail [portoroz2023@sbd.si](mailto:portoroz2023@sbd.si)

## Important dates

Abstract submission deadline: **May 15, 2023**

Early registration: **March 15 - May 31, 2023**

Sponsor of the opening  
EMBO Keynote Lecture:

Sponsor of the closing lecture (FEBS National  
Lecturer) & best poster in Biochemical education award:

## Organized by

**Slovenian Biochemical Society &  
University of Ljubljana,**  
Faculty of Chemistry and  
Chemical Technology, and  
Biotechnical Faculty
